DEAN’S LETTER/CERTIFICATION

FOR LAW SCHOOL APPLICANTS

The Wharton Undergraduate Division can write a Dean’s Letter/Certification for students and alumni who are applying to law school. We do not, however, complete individual law school’s dean's letter/certification forms.

To request a Dean’s Letter/Certification, you must complete these steps:

1. Set up an Interfolio account by going to www.interfolio.com, unless you previously had letters in a credentials file at Career Services, in which case email letters@pobox.upenn.edu for instructions on how to open your Interfolio account.

2. Complete the Request for Release of Information form below and email it to undergradinfo@wharton.upenn.edu, fax it to (215) 573-2070, or mail it to:

   Wharton Undergraduate Division
   ATTN: Dean's Letter/Certification
   3730 Walnut Street G95 JMHH
   Philadelphia, PA 19104-6340

3. Through your Interfolio account, please create an email request for a “Recommendation Letter.” Enter the title as “Dean’s Letter,” and direct the request to undergradinfo@wharton.upenn.edu.

Please allow at least three weeks for your Dean’s Letter to be processed and sent to Interfolio.

REQUEST FOR RELEASE OF INFORMATION FORM

By signing below, you are requesting that your Undergraduate School at the University of Pennsylvania prepare and send a letter of evaluation to the educational institutions, scholarship programs, companies or individuals designated on your mailing request form. By requesting a letter of evaluation, you are granting your Undergraduate School permission to review all records of any nature whatsoever for the purpose of preparing the letter of evaluation and to disclose information from such records to educational institutions, programs, companies, or individuals which you have designated. After you have requested a letter of evaluation, your written consent is not required for either a further review of records or subsequent disclosure of information. In connection with preparing a letter of evaluation, your Undergraduate School routinely examines at least the following student records: all records created prior to your graduation from the University, all records of the University Student Judicial System and the Judicial Inquiry Office, and all records of any criminal or civil proceedings involving you.

For further information on the review and disclosure of your records, please consult the University’s policy on the Confidentiality of Student Records; if you have a question, consult an advisor in your Undergraduate School’s office, or a counselor at Career Services.

I have read and understand the above information and in accordance with the above authorization, hereby request and authorize my Undergraduate School to prepare and send letters of evaluation to the educational institutions, scholarship programs, companies, or individuals I have designated.
